

THIRD-PARTY INTEGRATION DISCLAIMER

By electing to connect your brokerage account held with Light Horse Securities Inc. ("Light Horse") to Claude Code Pro, Chat GPT, Gemini CLI or other platform ("AI Assistant"), you acknowledge and agree to the following:

- AI Assistant is a third-party platform that is not owned, operated, controlled, or supervised by Light Horse. Any decision to link your brokerage account to AI Assistant is made voluntarily and at your sole discretion. Light Horse does not endorse, recommend, or guarantee the accuracy, completeness, reliability, or suitability of any information, analysis, outputs, or responses generated by AI Assistant.
- You understand and agree that Light Horse has no control over, and assumes no responsibility or liability for, (i) any questions, prompts, instructions, or data you submit to AI Assistant, (ii) any content, recommendations, or outputs generated by AI Assistant, or (iii) any actions you take or fail to take based on such outputs. All use of AI Assistant, including any reliance on its responses, is solely at your own risk.
- Light Horse's role is strictly limited to providing the technical capability, if available, for you to connect your brokerage account to a third-party service. Light Horse does not monitor, review, or supervise your interactions with AI Assistant and does not provide investment advice through or in connection with such platform.

To the fullest extent permitted by applicable law, you agree that Light Horse, its affiliates, officers, directors, employees, and agents shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising out of or relating to your use of, or inability to use, AI Assistant, including but not limited to any trading losses, lost profits, data loss, or other damages, even if advised of the possibility of such damages.

By proceeding with the connection, you expressly acknowledge that you are doing so at your own risk and that you waive any and all claims against Light Horse arising from or related to your use of AI Assistant.
